

DAY 6 Thursday, April 7, 2011

WELCOME TO COZUMEL, MEXICO

The Conquistadors first saw Mexico from the shores of Cozumel while searching for gold. Today, visitors to the island continue to seek out gold and silver jewelry in the shops of San Miguel while having a great time in its many local bars and restaurants. Plus, the waters around Cozumel's sheltered coral reefs make this one of the best snorkeling areas in the world.

Shop, Dine and Enjoy Yourself

1. Practice rolling your R's. The Mexican people are known for their hospitality. Especially when you try to speak the language.
2. Welcome to the shopping capital of the western Caribbean! For the best buys, head downtown! Taxi fare is \$7 per car load and the official taxi drop off is the Forum Shops. Your shopping guides will be there from 10:30 am - 1:00 pm. Win jewelry and raffle prizes every half an hour! Win diamond jewelry!
3. Have a margarita. On the rocks. With or without salt on the rim. Accompanied by a Mariachi band. Anyway you have it, it'll be the best you've ever had.

Back Onboard

- **Latin Fiesta Street Party**
Come join our live Latin band in the Royal Promenade for a fantastic dance party. Get ready to Salsa and Merenge the night away. The fun begins at 7:00 pm - 8:00 pm. See you there.
- **Edna & Tracy: Broadway LIVE**
The wigs and make-up are coming off! You loved them starring in Hairspray. Now meet them up close & personal, singing their favorite Broadway hits for one night only! 7:45 pm & 10:15 pm, Dazzles, Deck 8, 9.
- **"twenty" Outdoor Nightclub**
Oasis of the Seas is proud to feature our outdoor adults only Miami style nightclub. Featuring our very own Celebrity DJ Phenom, from the Scratch DJ Academy. 11:30 pm - 2:00 am, Solarium, Deck 16. (Casual attire recommended)

GET ENTERTAINED

Look inside for today's show schedule and to find out which shows need reservations. Please remember to be seated for all shows at least 15 minutes prior to showtime as 10 minutes before showtime, your seats will be released to guests without reservations.

ENVIRONMENTAL TIDBIT

Oasis of the Seas has an advanced wastewater purification system that actually cleans its wastewater before discharging it. How does it work? A biological reactor uses a good kind of bacteria to break down all the bad stuff. Cleaner water. Cleaner planet.

WHY NOT Why Not go back to a more civilized time? Visit the ancient ruins of Tulum and explore the mysteries of the Maya civilization.
