

# WELCOME ABOARD!

## HERE ARE A FEW THINGS YOU SHOULD KNOW TO MAKE THIS THE BEST CRUISE VACATION EVER!

**Show Reservations** Have you made your reservations for shows yet? We can help. Come to our Show Reservations Planning Event from 11:30 am - 3:00 pm, Studio B, Deck 4. Don't forget you can also make your show reservations from the comfort of your own stateroom through our Interactive television system. If you have already reserved your shows online prior to boarding, we wish you a great cruise vacation. Please be reminded that there is no need for paper tickets, your SeaPass card serves as your entry into your selected shows.

**Digital Signage** Be sure to look out for our onboard digital signage located throughout the ship and the interactive screens by the elevators on each floor. These provide up-to-the-minute, real-time communication to guests for mustering, activities and entertainment information, departure information and more.

**Navigation/Wayfinding** Wayfinding allows you to browse all activities, dining options and other venues around *Oasis of the Seas*<sup>®</sup>. Available in six languages, it can also dynamically show you how to navigate the ship. Did you know staterooms are broken into four color quadrants: pink, blue, green and yellow. Be sure to look for your color quadrant to easily locate your stateroom.
